18 Mar 2014

OPNAV NOTICE 5400

From: Chief of Naval Operations

Subj: CONSOLIDATE FLEET BALLISTIC MISSILE OPERATIONAL TEST
SUPPORT UNIT 2 INTO NAVAL ORDNANCE TEST UNIT

Ref: (a) OPNAVINST 5400.44A

1. Purpose. To consolidate Fleet Ballistic Missile Operational Test Support Unit Two (FBM OPTESTSUPPU TWO), a fleet unit, into Naval Ordnance Test Unit (NAVORDTESTU), a shore command, per reference (a).

2. Background. This action will consolidate FBM OPTESTSUPPU TWO with NAVORDTESTU to maximize effective use of personnel and minimize collateral duty redundancy between the two commands, which currently reside in the same building at Cape Canaveral, FL. Both commands are subordinate to Strategic Systems Programs (SSP), exist to support missile flight testing, and already coordinate mission responsibilities, which will be consolidated to achieve efficiencies and savings.

3. Organizational Changes. Effective 1 October 2014, disestablish FBM OPTESTSUPPU TWO and consolidate its mission and assets into NAVORDTESTU. The following applies:

a. Disestablishment

Commanding Officer
FBM Operational Test Support Unit Two
PO Box 1628
Cape Canaveral FL 32920

(SNDL: 26G) (UIC: 30724)*
(PLA: FBM OPTESTSUPPU TWO)
(PDS: Cape Canaveral, FL)

*(SNDL: Standard Naval Distribution List; UIC: unit identification code; PLA: plain language address; PDS: permanent duty station)

b. Revised Mission for NAVORDTESTU. To support missile test, deployed systems, surface ships and submarine operations at Cape Canaveral as well as Trident II flight tests at other major range and test facility base activities.

c. Administrative Chain of Command

<u>Echelon</u>	<u>Command</u>
1	Chief of Naval Operations (00011)
2	Director, Strategic Systems Programs (00030)
3	Commanding Officer, Naval Ordnance Test Unit (62841)

4. Action

a. SSP shall take appropriate action to formally consolidate NAVORDTESTU and FBM OPTESTSUPPU TWO, ensure the consolidated unit is properly manned, fully trained, and capably equipped to meet the mission requirements listed in this notice and issue a revised mission, functions, and task directive within 90 days. Ensure Director, Navy Staff, Organization and Management Branch (DNS-33) is provided with an electronic version of the directive.

b. Master Update Authority, Honolulu, HI will delete the FBM OPTESTSUPPU TWO PLA in the Central Directory Component via messaging systems effective immediately upon Director, SSP request to Commander, Naval Network Warfare Command (COMNAVNETWARCOM) (Network Operations 321), 112 Lake View Pkwy, Suffolk, VA 23435-2696 or by calling (757) 203-0338/0339. Disestablished PLA will be deactivated via messaging systems. Additional information on naval messaging can be obtained at <https://sailor.nmci.navy.smil.mil> or by contacting COMNAVNETWARCOM at numbers above. (New direction - SSP ACTION REQUIRED regarding the PLA.)

c. DNS-33 will update the SNDL to remove FBM OPTESTSUPPU TWO.

5. Records Management. Records created as a result of this notice, regardless of media or format, shall be managed per Secretary of the Navy Manual 5210.1 of January 2012.

OPNAVNOTE 5400
18 Mar 2014

6. Cancellation Contingency. This notice will remain in effect for 1 year or until superseded, whichever occurs first. The organization action will remain effective until changed by Director, Navy Staff.

S. W. CAREY
Director of Management
